Real Results

Navigating contracts at global scale

The legal team of one of the largest global technology organisations were looking for ways to manage a high volume of contracts.

We created a bespoke solution with a team portfolio that spans multiple regions and jurisdictions, with a focus on efficiency and quality at scale as well as continuous improvement.

“ Client feedback

Sharing some positive feedback on our continued, successful collaboration with LOD's rockstars. My colleagues & I in Procurement (and Commercial Legal) are able to focus on more impactful contributions to help advance 'our' mission to be the world's most trusted driver!

Overall, this is a very helpful service and works very well. The team are great and this does provide more capacity to focus on other work.

Meeting contracting demands across three continents

Challenge

One of the world's largest technology companies needed to manage over 15,000 contracts annually across three business regions while maintaining quality and speed.

Solution

LOD deployed a network of Structured Teams of 60+ professionals including senior lawyers, contract managers, paralegals, and delivery managers, fully integrated into the client's systems.

Results

- **+15,000** contracts processed annually
- **40%** reduction in contract turnaround times
- **4.9/5** satisfaction score across all regions
- **+10 yr** partnership demonstrating sustained value
- **Standardisation** across global legal and operations
- **Around-the-clock** coverage without additional management overhead
