When Capacity Tightens, Claims Don't Wait

The **2026 CLM National Litigation Management Study** highlights growing pressure across insurance claims and litigation teams. Firms are being asked to do more with fewer resources, while carriers continue to face increasing claims complexity and tighter service expectations. **Flexible legal talent provides a practical way to extend capacity without increasing permanent headcount.**

Industry Snapshot

65%

of law firms are not fully
staffed

78.7%

of carriers are acutely aware
of the impact on delivery

Panel firms are
declining new
assignments

due to capacity constraints

12.7%

of carriers currently
use flexible legal talent

Benefits of Flexible Talent for Insurance Teams and Panel Counsel

- Scale claims capacity without increasing headcount
- Improve speed and consistency across claims workflows
- Reduce legal spend and reliance on external firms
- Access specialist expertise on demand
- Stay compliant across complex regulatory environments

Why Insurance Teams Choose Consilio?

INSURANCE EXPERTISE
