Booking Terms & Conditions

Thank you for considering a reservation with us on Christmas Day.

We take pride in offering a memorable dining experience and look forward to the opportunity to serve you on this special day of the year. Please note, we operate on **Queensland time**, and all lunch reservations for Christmas Day come with a dining period of up to **three hours**.

For **first sitting** reservations (**10:30am – 1:30pm**), we kindly ask that you **vacate your table** by 1.30pm, allowing our team enough time to reset the venue for the next guests arriving at 2.30pm. **Second sitting** reservations (**2:30pm – 5:30pm**) are welcome to stay until the conclusion of the beverage package at 5:30pm.

To confirm your reservation, credit card details will be required, and **full payment per person will be charged**. **Cancellations** made within **one month** of the reservation will receive a 50% refund, while cancellations made within 72 hours or a “No Show” will **forfeit the full ticket price**, regardless of the reason.

Please also note that Cooly Breeze Rooftop has a **limited number of beachfront and balcony tables**. To ensure fairness, table allocations will be based on the date of ticket purchase and the size of your booking.

As Christmas Day is a public holiday, applicable public holiday penalty rates apply to our staff. To help offset these additional costs, a 15% surcharge will be applied to any items ordered outside of the set menu.

If you need to modify or cancel your reservation, please contact us directly at least **72 hours** before your booking to **avoid the full cancellation charge**.

You can reach us at 0434107559 or info@coolybreezerooftop.com.

We look forward to welcoming you on the most wonderful time of the year!
