WEDDING BROCHURE 26/27

Your Special Day at The Faversham

The award-winning Faversham has recently undergone a thoughtful renovation and reimagining, resulting in a stylish, stunning, and versatile backdrop for weddings and special occasions, all while preserving the venue's original charm.

Seamlessly blending heritage with contemporary design, the space incorporates industrial elements to create a unique and elegant atmosphere. Purposefully designed, it provides the perfect setting for private celebrations and weddings.

Wedding Ceremonies

The award-winning Faversham is one of the most sought-after alternative wedding venues in the city, perfect for couples seeking a unique and less traditional celebration. Just five minutes from the city centre, it is set within private grounds and offers the convenience of on-site parking.

Our versatile event spaces include a stunning glass-roofed Conservatory, an elegant Lounge, and a south-facing outdoor Terrace. These seamlessly combine with the Main Room's original flooring and exposed brickwork to create a truly exceptional setting for your special day.

With its eclectic mix of vintage, industrial, and modern furniture, The Faversham provides the flexibility to craft a distinctive atmosphere in every room.

We can host your ceremony in the Conservatory for up to 85 guests, or for more intimate ceremonies up to 60, the Lounge, with its high ceilings and large plant-filled window, offers a beautifully serene setting.

We can accommodate your Wedding Breakfast for 60 to 120 guests and host evening receptions for up to 250 people.

Our experienced in-house wedding planners will be with you every step of the way to ensure your event is flawless. From your initial enquiry and detailed planning to the final execution, we'll take care of every detail, making the entire process seamless and stress-free
