

VOLUNTEER SKILLED SUPERVISOR

Thursdays and Saturdays
7:30am-3:30pm

Volunteers must be at least 18 years old

Volunteer Skilled Supervisors (VSS) are volunteers trained in one or more specific construction skills by Atlanta Habitat Staff. They are experts at compassionately teaching and leading small groups of volunteers a particular construction skill on a build site ensuring homes are built with precision and care. VSS are dedicated, passionate ambassadors of our mission ready to coach and empower volunteers to execute the House Leader's construction goals for the day.

ROLE

- Teaches volunteers skill(s) to accomplish construction task(s).
- Manages small groups of volunteers ensuring they follow safety guidelines.
- Works alongside volunteers—volunteers are working *with* VSS, not *watching* VSS work.
- Leaves a great impression of productivity, respect, kindness, and community. VSS are the primary contacts many volunteers have with Atlanta Habitat.
- Reports volunteer concerns to on-site Atlanta Habitat House Leader.
- Abides by House Leader's goals for the day, project standards, and safety standards.

SCHEDULE

- Most builds take place on Saturdays—weekday build days are scheduled as needed.
- Arrive at the assigned build site by 7:30am and stay until 3:30pm.

PREREQUISITES

No prior construction experience needed.

1. Fill out the Volunteer Skilled Supervisor Interest Form [HERE](#) or via the QR code below.
