Aluminum Can Collection Program

3.7 million aluminum cans collected =
\$100,000 donation to sponsor an
Atlanta Habitat for Humanity home

How You Can Help

- COLLECT aluminum beverage cans.
- DROP OFF at the Recycle for Good trailer (Atlanta Habitat parking lot).
- REQUEST a Recycle for Good recycling collection box for your school, company or organization.
- DROP OFF at the Recycle for Good trailer (Atlanta Habitat parking lot).

About Novelis

Novelis is the leading producer of rolled aluminum and the world's largest aluminum recycler. Novelis creates sustainable aluminum products for beverage cans and the automotive and aerospace industries.

About the Process

COMMUNITY COLLECTS

Cans are deposited in the collection trailer in the Atlanta Habitat parking lot or provided collection boxes.

NOVELIS RECYCLES

Aluminum is a low-cost material to recycle and is infinitely recyclable.

NOVELIS PROCESSES

New products are made with recycled aluminum, which uses less energy, material, and a simplified process than primary production.

NOVELIS RESELLS

Generated savings increase profit margins, which are reinvested in the community.

NOVELIS DONATES

\$100,000 in generated savings sponsor a new build with Atlanta Habitat.
