

## LAST SPIN WINS

Face the end of days in Last Spin Standing, a survival themed slot set in a crumbling zombie infested world. Spin across 100 adjustable paylines with medium low volatility and a 97.16% RTP, where every turn of the reels could be your last chance at glory. Wild symbols keep you in the fight, Scatters open the path to free spins, and a max multiplier of x3,000 puts the ultimate payday within reach if you can survive long enough to claim it.

Trigger Free Spins where stacked 2x Wilds on key reels slash through the undead for massive payouts. Land Collect Symbols with survival gear to activate Hold & Respin for relentless wins.

Last Spin Standing immerses you in a desperate struggle for survival, where every spin is a battle against the horde. With lines change functionality up to 100 paylines, you can adapt your strategy to match your risk appetite. The Hold & Respin feature locks vital survival gear in place, setting off a chain of payouts as the reels reload with hope and danger. Free Spins mode turns reels 2 and 4 into fortresses of stacked 2x Wilds, multiplying your winning potential up to the x3,000 max multiplier. With a 5.4% hit rate, gritty post apocalyptic visuals, and a top prize of €225,000, Last Spin Standing blends relentless tension with rewarding mechanics for a slot experience you will not forget.
