

Breast Cancer

AWARENESS MONTH

October 7, 2025

Dear Families,

This October, we stand united in support, strength, and hope as we honor Breast Cancer Awareness Month. Together, we survivors and supporters remember those we've lost and continue the fight for awareness and early detection. Let's come together as one community: strong, caring, and united in love and understanding.

Share Your Story of Strength on Our Wall of Hope!

Families are invited to contribute to our **"Wall of Hope"** by sharing personal messages of encouragement, remembrance, or support.

From your Parent Coordinator,
Knox
