NYPD LAW ENFORCEMENT EXPLORERS PROGRAM:

Law Enforcement Exploring was established in 1993, and is a community service, career-oriented program designed to educate young men and women, ages 14-20.

Every Precinct, Housing Police Service Area, Transit District, and School Safety Division has an Explorer Post. We, the NYPD are proud to have the largest program in the country.

Reaching out to New York City's youth, the program spans various neighborhoods, helping to break down barriers between young adults & law enforcement.

Explorers are taught the importance of higher education, self-discipline in reaching their goals, leadership, and are encouraged to see law enforcement as an attainable and achievable career path.
