CHURCH OF
WHITESTONE

ESTABLISHED IN 2023

A letter from Pastor's Tauren and Lorna Wells

Dear Whitestone Family,

What a year 2025 was for our church!

As we reflect on everything God has done throughout 2025, our hearts are filled with both awe and expectation for what is already unfolding in 2026. This report is more than numbers, it is a testimony of transformed lives, surrendered hearts, restored families, salvations, baptisms, freedom stories, and people discovering who God created them to be.

Our vision is clear, *helping people discover their God-authored identity through wholehearted relationship with Jesus.* In 2025, we watched our church continue to live out the values that define us. From Sunday services to Saturday “For The Love” days, we are seeing people Grow With God, Live In Freedom, Discover YOU, and Be The Difference in powerful and practical ways throughout Austin and around the world.

We have seen generosity meet real needs. We have seen people encounter the presence of Jesus.

We have seen the Dream Team serve with passion and excellence.

We have seen marriages strengthened, prodigals return home, and individuals step boldly into their purpose. None of this happens because of one person. It happens because of a church family willing to say “yes” to God again and again.

Thank you for praying. Thank you for serving. Thank you for giving. Thank you for believing. Thank you for building a church that feels like home to so many people searching for hope, healing, truth, and community.

As you look through this Impact Report, our prayer is that you would not simply see what Whitestone has done, but what God has done through ordinary people fully surrendered to Him.

With love and gratitude,

Pastors Tauren Wells & Lorna Wells

Testimonies at Whitestone

Being a part of Church of Whitestone has changed my life in so many ways. Having grown up as a Christian, I always knew God and tried to live a good life, but it wasn't until I became a part of the Whitestone family that I made God the center of my life. When I joined the Whitestone "Dream Team" I also gained a family that I never thought I needed and made friends I know I will have for the rest of my life. However, the greatest thing that has happened to me because of Church of Whitestone is when my wife Kathy and I decided to get baptized. What made it even better was my daughter saw the photos and decided she wanted to get baptized too. She and her fiancé got baptized and gave their lives to Jesus. As a father, there's nothing greater I could wish for my daughter than eternal salvation. Thank you, Church of Whitestone, and thank you Pastor T and Pastor Lorna for your leadership.

I started my journey with lord barely two years ago, and in those two years, there's been so much that's made me a walking testimony like getting to display my auteur in different exhibits and getting into grad school, getting a two new vehicles, and sooo many more blessings.

Fox Grijalva

I had been searching and praying for a church that felt like home bc the ones we have tried just weren't the right fit for us. When we pulled in the parking lot, I knew this was it! My son also said the same thing.
