2026 Retail Bundle & Box Catalog

13 Boxes plus Center of the Table curated for the home cook.

Since 1974, Ye Olde Butcher Shoppe has cut, smoked, and wrapped meat by hand at 902 7th Street NW, and many of you first walked through our door holding a parent's or grandparent's hand. Maybe it was the free wiener, the smell of the smokehouse, or watching the butchers work behind the case.

Now you're the one bringing your family in, and that means more to us than we can say.

Ye Olde continues to be the center of community, tradition, and connection for all of us. I'm reminded of how impactful what we do is every time a customer, holding the hand of their child, tells me how excited they were at their son or daughter's age to come to Ye Olde with their parent. Like my friend Alice recently reminded me, "What you all do is so important". I couldn't agree more.

Every bundle and box in this catalog is built from meats our butchers cut in-house and specialties from our own smokehouse and sausage kitchen, the same care your family has trusted for generations. Ye Olde is employee-owned, so every order directly supports the neighbors behind our counter, many of whom know your name and your usual cut. A gift from a big-box store gets opened and forgotten, but a prime rib or a box of our steaks or roasts becomes the meal everyone remembers.

Thank you for making us part of your family's table, then and now.

Warmly,

Kevin Wencel, President

Bundles

Gourmet Bundle ~ $37.99

Four 6-oz. sirloin filets, four 6-oz. boneless, skinless chicken breasts and four 5-oz. boneless pork chops, each portioned by hand at our counter. Twelve evenly cut pieces cook evenly and make weeknight planning simple. It is the best introduction to what's in our case.

Small Family Bundle ~ $95.99

Six sirloin filets, four chicken breasts, four boneless pork chops, 3 lbs. of country-style pork ribs and five 1-lb. packs of 80/20 ground beef. That’s enough variety to carry a household from Tuesday tacos to a Sunday rib dinner. We stocked it the way our butchers stock their own freezers.

Triple Bundle ~ $109.99

A dozen each of 6-oz. sirloin filets, 6-oz. boneless chicken breasts and 5-oz. boneless pork chops: 36 portions, all cut to the same standard. Three proteins, one freezer, months of dependable dinners. These are the everyday essentials, bought the way the pros buy them.

Special Bundle ~ $199.99

Our most complete bundle: ten chicken breasts, ten boneless pork chops, six sirloin filets, ten 1-lb. packs of lean 93/7 ground beef, and three roasts (boneless pork, beef and ham, about 3 lbs. each). It covers quick weeknights and slow Sundays alike. Every piece is cut and wrapped in our USDA-inspected shop.

Steak & Chop Boxes

Filet of Sirloin Box ~ $29.99

New York Strip Box ~ $54.99

Four 10-oz. New York strips, hand-cut with a firm bite and a clean edge of fat. It's the classic steakhouse steak, cut at our counter instead of pulled from a carton. Built for the grill, the cast iron and the occasion.

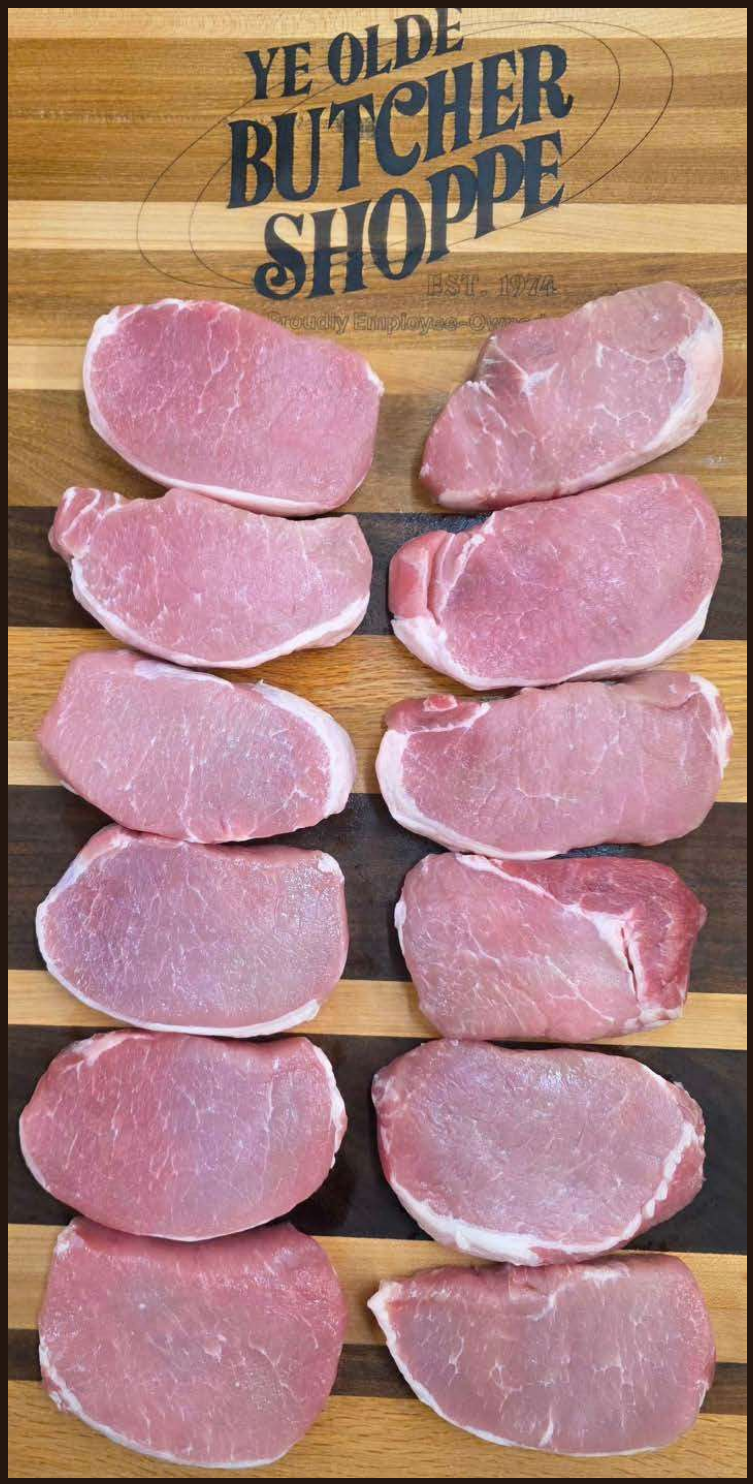

Ribeye Box ~ $75.99

Four 10-oz. ribeyes, cut from the same ribeye we cut fresh for our case every day. Generous marbling gives every bite deep, buttery flavor. This is our richest steak, ready for a hot fire.

Top Sirloin Box ~ $39.99

Six 6-oz. top sirloin steaks, cut from the most tender part of the sirloin. They're lean and bold, take well to a marinade, and slice beautifully for salads and fajitas. A dependable steak for any night of the week.

Boneless Pork Chop Box ~ $20.99

A dozen 5-oz. boneless pork chops, cut to an even thickness so they cook through without drying out. They take equally well to the pan, the grill or the oven. Twelve weeknight dinners, sorted by your butcher.
