Say hej to Sandra Nilsson, Miss January 2008. She's tall - 5'9" - with brown hair, blue eyes and legs for days. Sandra was raised in Ystad, a coastal town in the south of Sweden. She was recruited to model at fourteen, but her parents thought she was too young - so when she turned eighteen, she signed with an agency and moved to Malmö, where she modeled for some of Sweden's biggest brands, and was a contestant on Sweden's Next Top Model. She entered beauty contests throughout the European Union, and she rose to international fame when she was named Miss Hawaiian Tropic for Sweden. Over the next two years, she traveled the world, was featured in ads, commercials and billboards as a representative of the brand. She landed a gig on the Travel Channel and was named Sweden's 7th Sexiest Woman. Hugh Hefner's brother, Keith, spotted Sandra at a party in Cannes, and invited her to Los Angeles to test for Playmate. She passed - Hef approved her Centerfold for the January issue - and she became the second Swede to make Playmate in more than ten years, the first being Victoria Silvstedt. Sandra moved to New York City to pursue a career as a model and actress - she's appeared on The Howard Stern Show and red carpets all over town - and when she's not working, she loves to read, cook vegetarian food, and rack up long distance charges with her mom. "I love New York," says Sandra, Swedish accent charming. "Americans have a great sense of imagination. I don't think I'll be moving back to Sweden anytime soon." We sure hope not - Miss Nilsson is the greatest thing since sliced bröd. Playboy girls © 2024 Copyright PlayboyPlus.com. All Rights Reserved. She is best known for her work with Hawaiian Tropic and as a Playboy Playmate of the Month for January 2008. Biography Nilsson was born in Ystad, Sweden but grew up in the little town of Sjöbo. She was approached to be a fashion model at the age of 14, but her parents declined to release her to work. At the age of 16, she entered the fashion modeling industry and began a long streak of modeling for many notable Swedish brands working with the Lua Agency. Nilsson also appeared on Sweden's Next Top Model show, which gave her large exposure to her home country.[2] Nilsson's career took off when she became a winner and contestant in many European Union beauty contests. Her international career began when she won Miss Sweden in a Hawaiian Tropic bikini pageant. For the next 2 years, she appeared on several ads, calendars, magazines, billboards, and commercials as well as appearing on the Travel Channel. In 2006, Nilsson was voted Sweden's 7th Sexiest Woman. In January 2008 after being spotted by Hugh Hefner's brother Keith at a film festival,[2] Nilsson landed the coveted title of Playmate of the Month for Playboy magazine. She was the first native Swede to capture that title since Victoria Silvstedt in December 1996. Nilsson then made a follow up appearance on the Howard Stern Show. Nilsson currently resides in New York City where she is continually pursuing modeling opportunities and an acting career. She also does a great bit of charity work. Comments by our users Sandra started modeling at the age of 18. She entered her first beauty competition and was soon working full time. A rising star, she knew it was time to go in search of bigger and better things. She left her Abba records behind and took the plunge, making her home in glamorous Manhattan. She has since modeled swimsuits, walked the runway and worked as a spokesmodel for Hawaiian Tropic. (You'll notice the deeply tanned skin, so healthy it glows.) "I was so scared when I first came to America, because my English was basically limited to 'Hello, my name is Sandra, and I'm from Sweden,'" she tells us in her adorable accent. "But I'm getting better and better every day." Clearly. When you start chatting with Sandra, she only gets hotter. She has a degree in education--plenty of brains behind all that beauty. When she's not working she likes to ride horses or cook. Sandra Nilson topless on couch Sandra Nilsson Playboy Playmate January 2008 Commenting is disabled for non-registered users.
