Business law: text and cases 15th edition clarkson/miller/cross

Business law - text and cases 15th edition clarkson/miller/cross.

Comprehensive yet reader-friendly, Business Law: Text and Cases offers a unique blend of classic black letter law and cutting-edge contemporary issues and cases. This authoritative textbook prioritizes making the law accessible, interesting, and relevant for students. Updated content and features highlight today's latest developments in business law, ranging from landmark precedent-setting decisions to recent significant rulings. The authors place great emphasis on ethics by providing a distinct framework for making ethical decisions. This edition integrates global, e-commerce, digital, and corporate themes with insightful features such as Digital Updates that demonstrate how technological progress is affecting the law. Numerous examples, Case in Points, and Concept Summaries help students apply the law to real-world issues, further solidifying their understanding of business law principles. Important Notice: Some media content referenced within the product description or text may not be available in the e-book version.
