Egypt was a hub of knowledge, piety, and understanding from the time of the Companions (Sahabah) to the present day. One notable scholar who played a significant role in this intellectual tradition was Imam Khalil bn Is'hāq Al-Mālikī, also known as Al-Jundi. He was a renowned expert in Hadith and Fiqh (Islamic jurisprudence), particularly in the Mālikī school of thought. His students included prominent scholars like Bahram and Al-Afqāsi. Imam Khalil wrote many books, but his most famous work is the Mukhtasar, which took him over 20 years to complete. This book is a summary of all the reference texts that preceded it and represents the culmination of Imam Khalil's knowledge and expertise in Mālikī Fiqh. The Mukhtasar consists of 64 chapters, following the organization of another important work called the Mudawwanah. Although Imam Khalil passed away before completing the book, his students finished it for him. The authorship of the Mukhtasar solidified Imam Khalil's reputation as a leading authority in Mālikī Fiqh. The text concludes by noting that the Mukhtasar has remained the primary textbook of the Mālikī school to this day and is essential reading for anyone seeking to study Mālikī Fiqh. **\*\*Downloadable Islamic Jurisprudence Resources\*\*** The following list contains various downloadable files related to Islamic jurisprudence, categorized by school of thought. **\*\*Hanafi School\*\*** + 4 ملفي الأبحر (A Meeting of the Seas) - 32.2M + Sharh Bidyat al Muhtadi (Commentary on Fundamentals of Jurisprudence) - 4.5M **\*\*Hanbali School\*\*** + Manhaj as Salikin (Methodology of the Seekers) - 975.7K + أجوبة الطلبة (Clear Answers) - 1.1M + المسائل الفقهية (Jurisprudence Issues) - 349.6K **\*\*Maliki School\*\*** + Al-Muqaddimah Izziyah (Introduction to the Path of Guidance) - 776.2K + Ashmawiyyah (Ashmawi's Text) - 3.7M + Murshid al Mueen (Guiding Light) - 78 School\*\* + Risalah al Jami'ah (Treatise of the Universal Message) - 2.2M + Safinatun Najat (Ship of Salvation) - 275.2K **\*\*Other Categories\*\*** **\*\*Principles of Islamic Jurisprudence\*\*** + Principles of Islamic Jurisprudence 1 - 4.8M + Principles of Islamic Jurisprudence 2 - 751.3K **\*\*The Four Schools of Fiqh\*\*** + The Four Schools of Fiqh - 2.5M **\*\*General Islamic Jurisprudence Resources\*\*** + Usool al Fiqh (Principles of Jurisprudence) - 4.1M + Usool ash Shashi (Principles of Ash-Shashi) - 3.8M Note: The file sizes and categories may not be comprehensive, as the original text appears to be a list of downloadable files with varying titles and sizes.
