It has 20 upgrades for each component, with costs ranging from 1,000,000 to 23,213,500 coins. The Super Offroad excels on muddy terrain and works well on various conditions, making it a popular choice among players. Its unique combination of the Race Car and Tank features allows it to handle both speed and stability effectively. The Super Offroad is a vehicle in Hill Climb Racing that can be unlocked with 1,000,000 coins. It's one of the most versatile vehicles, featuring high speed and grip on various terrain types, including mud. The Super Offroad has 20 upgrades for its engine, tracks, downforce, and fuel tank, which cost varying amounts of coins. The vehicle excels in muddy terrain, while its stability and grip make it a top choice for many stages. When fully upgraded, it becomes the fastest vehicle in the game, but losing its spoiler can hinder performance. However, with proper management, the Super Offroad can still reach high speeds on long distances maps. To max out the Super Offroad, players will need to spend around 23,213,500 coins. The cost breakdown includes: \* Engine upgrades: 7,172,500 coins \* Track upgrades: 8,607,000 coins \* Downforce upgrades: 4,956,000 coins \* Fuel upgrades: 2,478,000 coins The Super Offroad combines the benefits of both the Race Car and the Tank, making it a valuable addition to any player's collection. Its high speed and stability make it suitable for various stages, but losing its spoiler can impact performance on long distances maps. **\*\*Super Offroad Vehicle\*\*** The Super Offroad is a high-performance vehicle in Hill Climb Racing that can be unlocked for 1,000,000 coins.
