We're excited to announce that Comic Stars Fighting 3.6 is introducing two fresh faces: Portgas D. Ace from the WhiteBeard Crew and Enel, the Lightning God, both from One Piece. This new version comes with some exciting changes - choose between battle mode or survival mode, pick your favorite comic characters, and compete in all levels to win each one. You'll be able to play as a range of characters, including Dragon Ball Z, Bleach, Naruto, Fairy Tail, One Piece, Hitman Reborn, Hunter x Hunter, and many more. To control your character, use the following keys: P1 (WASD - move; J - attack; K - jump; L - spurt; U - big action; I - explode; O - transform) or P2 (Arrow keys - move; 1 - attack; 2 - jump; 3 - spurt; 4 - big action; 5 - explode; 6 - transform). Trick or Treat? Win X2 until November 2nd. Comic Stars Fighting is an immersive online fighting game that brings together characters from anime, manga, and beyond, offering a unique gaming experience. With its fast-paced action and adrenaline-pumping battles, every match is a thrilling clash of epic proportions. Get ready for an epic showdown with the ultimate manga mashup! Comic Stars Fighting brings together 33 beloved characters from iconic series like Naruto, Dragon Ball Z, One Piece, Bleach, Fairy Tail, and Yu-Gi-Oh!. This new version packs a punch with 35 thrilling levels, plus bug fixes and sleek visual tweaks. Master your moves with the intuitive controls: use WASD to navigate, J for attacks, K for jumps, L for dashes, U for special strikes, I for explosive combos, and O for transforming into ultimate form!
