Merhaba, benim adım Kim Petruska ve Rendezvous dergisinin yaratıcısıyım. Biraz tarih... Ben bir sanatçı ve girişimciyim. İş hayatımda süsleme boyama işiyle başladım ve bu, duvarlara ve duvar kaplamalarına yol açtı ve nihayetinde toptan pazar için ürün tasarımı ve lisanslama yaptı. Ekonomik kriz vurduğunda, gelecekte ne yapmak istediğimi yeniden değerlendirmeye karar verdim. Her projenin en çok sevdiğim kısmının yaratma ve tasarım kısmı olduğunu fark ettim. Bu, sadece sanat eserleri olmak zorunda değildi, böylece bir fikir doğdu. İnsanların gerçek hayatta nasıl yaşadığını ve randevulaştığını görmek için "You Caught my Eye" kartını yarattım. Bu kart, kişisel bir profil ile bağlantılıydı ve insanlar arasındaki fiziksel bağlantıları kolaylaştırmak için basit bir yoldu. Kartları kullanmak için etkinlikler ve festivaller düzenlendi. Ancak insanların Tinder çağındaki rahatlıklarını göz önünde bulundurdum ve bu, insan davranışları, iletişim ve anlamlı bağlantılar hakkında derinlemesine bir araştırma yapmaya başladım. Bu deneyim, arkadaş olmak. İlginç sohbetlere odaklanan tema randevu geceleri tasarlayarak anlamlı bağlantılar kurmanıza ilham vermek istiyoruz. Gelecekte farklı şehirlerdeki işletmelerle ortaklık kurarak etkinlikler ve temalı randevu ve kız geceleri yaratmak istiyoruz. Bu dergiyi arkadaşlar arasındaki bir işbirliği olarak görmek istiyoruz. Gelecek neler getirecek bilinmez, ancak bize katıldığımız için çok teşekkür ederiz. Rendezvousmag, gerçek hayattan deneyimlere dayanarak anlamlı bağlantılar kurmak ve hayatın anlarını kutlamak için kuruldu. Bugün dünyanın her yerinde insanlar tarafından kullanılan 1xbet, 1Win ve Mostbet gibi bahis şirketleri, kullanıcılarına güvenli ve keyifli bir ortam sunuyor. Pin up ve Glory Casino gibi şirketler de geniş bir etkinlik yelpazesi sunarak bahis tutkunlarına eşsiz bir deneyim yaratıyor. You'll get an order confirmation email from magazine.co.uk usually within minutes - check your Junk folder if it's not there in 24 hours. Then, another email/letter from the publisher should arrive within four weeks, telling you when to expect your first issue. The delivery time varies depending on how often the mag comes out (weekly, monthly, etc.). Weekly pubs: two to four weeks for the first issue; monthlies: four to six weeks; bi-monthlys: six to eight weeks. Any free gifts will be sent separately, not with the first issue. To find your start issue or ask about your order, use our Order Tracker. Can I send a mag as a gift? Yes! Just tick 'This is a gift' when adding it to your basket and choose from some cool designs in our Gift Card Creator. How do I renew my sub? Contact the publisher directly - their details are on your order email or you can search for them here. If you want to cancel, get in touch with the pub if your sub's already active; otherwise, contact us. How much is delivery? It's free on all subs, but not on Single Issue or physical gift card buys. What happens next after I place an order? We send it to the publisher or their team who handle the rest - adding you to the subscriber list and delivering your mag as it comes out. If you're concerned about a delivery, get in touch with the publisher via your confirmation email's Delivery Information section, our Order Tracker, inside your magazine, or with the details received each month. Alternatively, use the A-Z search function above. Enter your order details and click 'I would like to contact someone about my subscription' for current status and assistance.
