Breakthrough workbook. Breakthrough plus 2 teacher's book pdf. Breakthrough book pdf.

Breakthrough Plus is an innovative language course designed for adult and young adult learners of International English. This refreshing, communication-based program features a fresh design, contemporary content, and manageable material that builds students' confidence in the language. The audio component includes various sections: Pages 4-9 to 126, offering a range of exercises and tests covering grammar, vocabulary, everyday English, listening, reading, and more. Additional study materials and exercises are available for Units 7 to 12. These include extra practice in vocabulary, grammar, everyday English, listening, reading, and pronunciation. The exercises are labeled as A, B, or C, with some units having additional d exercises. There are also test A and test B options for each unit.
