parametrix

LLOYD'S Coverholder

Parametrix Cyber and Tech E&O insurance

Your same trusted Cyber and Tech E&O policy with enhanced parametric business interruption coverage backed by top-rated Lloyd's insurers

Cyber insurance needs an upgrade.

With better protection against business interruption losses.

60%

Of the value of all cyber claims is driven by business interruption losses

40%

Of business interruption losses are not covered due to long waiting periods and exclusions

Primary and excess coverage for Cyber and Tech E&O

Policies includes your same cyber protection, such as:

- Cyber and privacy liability
- Regulatory investigations & fines
- E-media liability
- Professional & tech services liability
- System & data rectification costs
- Incident response costs
- PCI DSS investigations & fines
- Extortion costs
- Cyber threat

Comprehensive protection against business interruption events.

Low waiting periods

Starting at 4 hours, compared to the 8-12 hour time retention in most standard policies

Quick payouts

Claims payouts are **guaranteed within 20 business days** as opposed to the standard 6-24 months for most claims

Pre-agreed loss amounts

Clearly defined, per-determined loss amounts means you know exactly how much your getting from a claim

No forensic accounting

Predefined triggers **immediately activate claim payouts** and eliminates the need for a lengthy investigation

No restrictions on use of funds

Funds can be used however your business needs - whether its to **compensate customers or pay for employee overtime**

parametrix

LLOYD'S Coverholder

How parametric business interruption works:

01

Pre-determined Daily BI limit for transparent and predictable recovery.

02

Following a covered event, Daily BI coverage activates as soon as the required terms are satisfied.

03

Quick, hassle-free BI payouts that provide clients with clear, dependable support.

> *We depend on multiple third-party platforms and even a short outage can disrupt thousands of customers. CyberPMX aligns with our operational reality, giving us the financial certainty to keep teams focused on recovery. The ability to apply proceeds directly to enterprise service credits and overtime pay, without administrative friction, is a meaningful advantage.*

B2B SaaS Provider, $85M in revenue
Parametrix CyberPMX insurance policyholder

> *Our customers expect us to be up 24/7, even when one of our third-party providers goes down. CyberPMX finally gives us complete CBI protection with a parametric trigger that delivers immediate clarity on coverage, without long investigations or disputed claims.*
