Who We Are

Venezuela's specialist on-ground operator
for workforce housing and mobile accommodations,
operating through a **strategic joint venture with Turismo Maso**—Venezuela's most established
corporate travel services provider with 70+ years of market presence.

The Venezuela Opportunity Needs Local Execution Power

Deploying workforce housing
in Venezuela requires regulatory
navigation, rapid mobilization,
and operational certainty. Without the right
on-ground partner, foreign operators face delays,
compliance gaps, and execution risk.

Planterra Construction eliminates that risk.

We bring:

- International operational standards + Deep Venezuela execution capabilities
- Dual US-Venezuela presence (Dallas/Caracas) for seamless coordination
- Turnkey **OpEx-only model**

What We Deliver

For US & Canadian workforce housing providers:

- ✓ **Market Representation** – Your Venezuela sales and operations arm
- ✓ **Asset Deployment** – Site prep, permitting, mobilization, commissioning
- ✓ **Camp Operations** – 24/7 facility management, HSE compliance, workforce welfare
- ✓ **Regulatory Navigation** – Government relations, customs, labor compliance
- ✓ **Scalable Models** – Pilot phases to full-field deployment

OUR JOINT VENTURE ADVANTAGE: TURISMO MASO, BCD TRAVEL

Seven decades of Venezuela corporate travel services experience provides:

- Immediate credibility with national oil companies and EPCs
- Infrastructure and logistics backbone across all operational regions
- Regulatory and compliance framework for international operators
