Kombo

Klompje

Few things in life bring us as much joy as music.

It comes in every shape and form, for every setting and every mood. It follows us through life, sometimes without us even noticing. A song can mean everything to one person and absolutely nothing to the next. It's there for the celebrations, the heartbreaks, the late nights, the long drives — and everything in between.

And in our humble opinion, a bar is nothing without music.

It sets the mood, the tone and the tempo. It can turn a quiet drink into a great night, and a great night into one you'll remember for years.

At Kombo, music has always been a big part of what we do. So we started wondering: what if we could turn some of the greatest songs and anthems of our time into cocktails?

Not simply drinks named after songs, but cocktails inspired by the artists, the lyrics, the stories and the little pieces of music history behind them. Some connections are obvious. Others are hidden. Some might not make sense until the drink lands in front of you.

Just like the songs that inspired them, these cocktails come in all shapes and forms. Some are loud, some are smooth. Some are easy-going, others a little strange. There are classics, guilty pleasures and hopefully a few new favourites.

Because just like music, we want there to be something here for everyone.

So pick a track, order a drink and find your groove.

All the best,

The Kombo Team

AV KLEMPE & DONS

**champagne
supernova**

205,-

Charles Heidsieck Champagne,
Michters Bourbon, blood orange,
hazelnut, forest berries,
sparkles.

*nuts

oasis

champagne supernova

*Bright, elegant and
sparkling.*

Champagne, glitter and just the
right amount of excess. Big,
bright and made for celebrating
because subtlety was never
really Oasis' thing.

Some might say, this is how you
start the night.

HEY YA!

205,-

Vī Aquavit, cucumber, mint, coconut.

*Cool crisp and
ridiculously
refreshing.*

**Fresh, green and dangerously
easy to drink — the kind of
cocktail that disappears before
you know it.**

**There's just one thing left to do:
shake it like a Polaroid picture.**

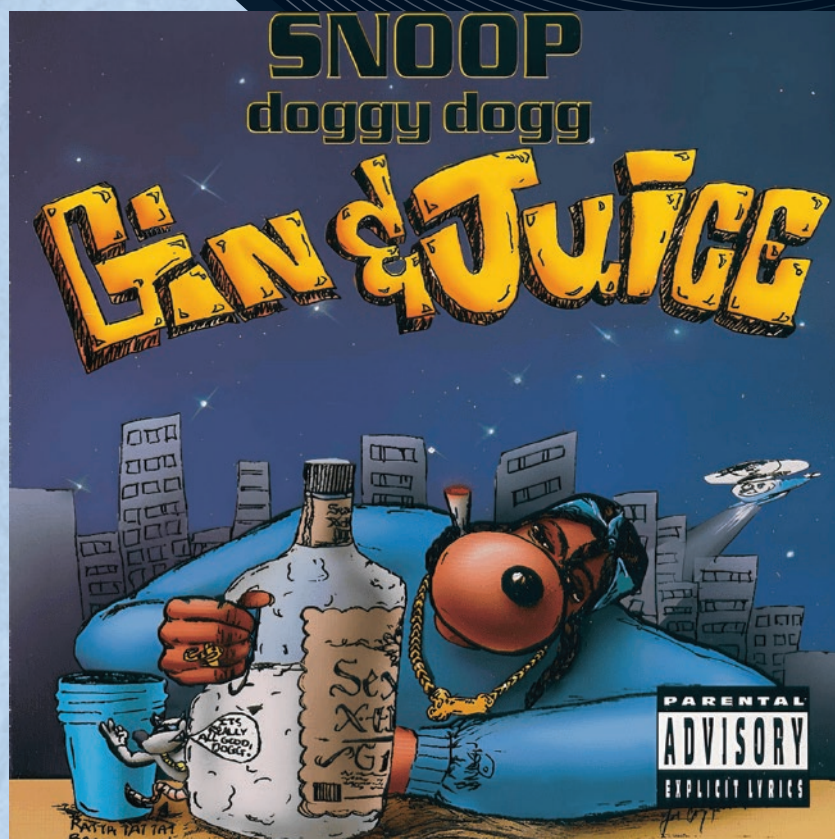

Bright, juicy and packed with citrus.

Layers upon layers of citrus turn one of hip-hop's biggest anthems into a full-blown citrus bonanza. Silky, refreshing and bursting with everything we love about citrus. Gin & Juice was never our favourite drink.

This one might be.

RIDERS ON THE STORM

205,-

Michters Rye Whiskey, ginger, apple,
cinnamon, falernum.

THE DOORS RIDERS ON THE STORM

*Bold, spicy and
refreshing.*

A rye whiskey-fuelled riff on the
Dark & Stormy – think of it as a
Mule with the volume turned up.

For those who like to ride a little
closer to the storm.

*Deep, silky and
dangerously
smooth.*

Rich berries, dark fruit and bright freshness come together in a velvety, easy-going drink that keeps you coming back. Prince famously followed a vegan diet, so we followed suit.

All purple, all pleasure — not a drop of dairy in sight.

THREE LITTLE BIRDS

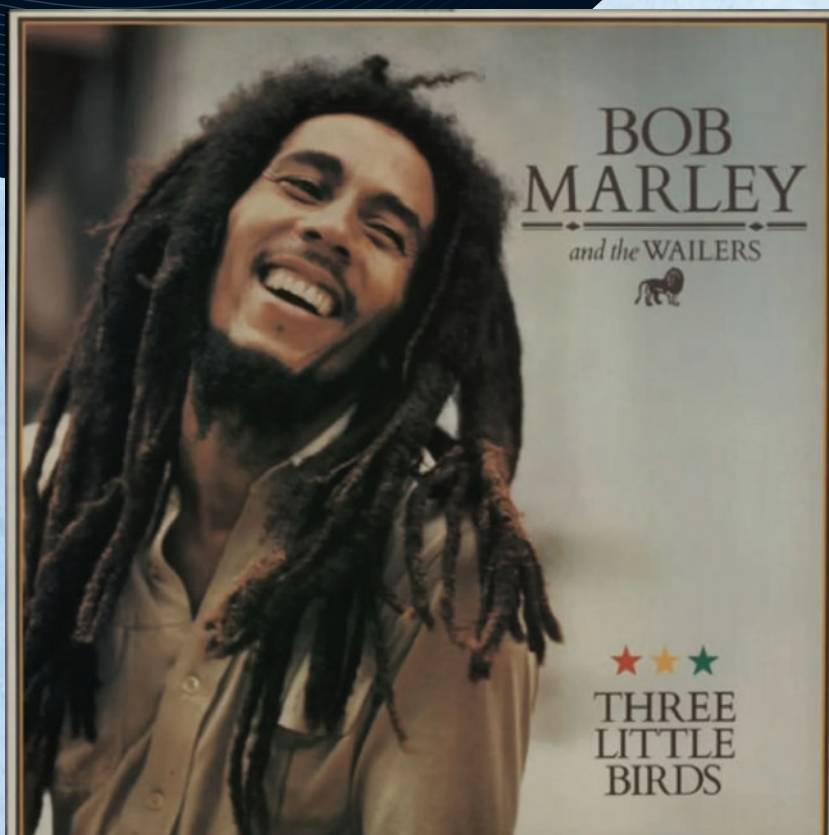

205,-

Cointreau, C. Drouin Calvados,
Smith & Cross Rum, pimento,
lime, honey, jamaican sorrel,
Three Cents Grapefruit
Soda.

*Juicy, vibrant and
dangerously
easy-going.*

Three classic bird cocktails flew
to Jamaica and came back as
one. Tropical, lively and just
boozy enough to put a little
rhythm in your step.

Don't worry about a thing — just
enjoy the ride.

*Fresh, tropical
and unexpectedly
addictive.*

Bright, refreshing and a little unexpected - something you didn't know you wanted until it came along. And just like The Beatles, you too can live in a Yellow Submarine.

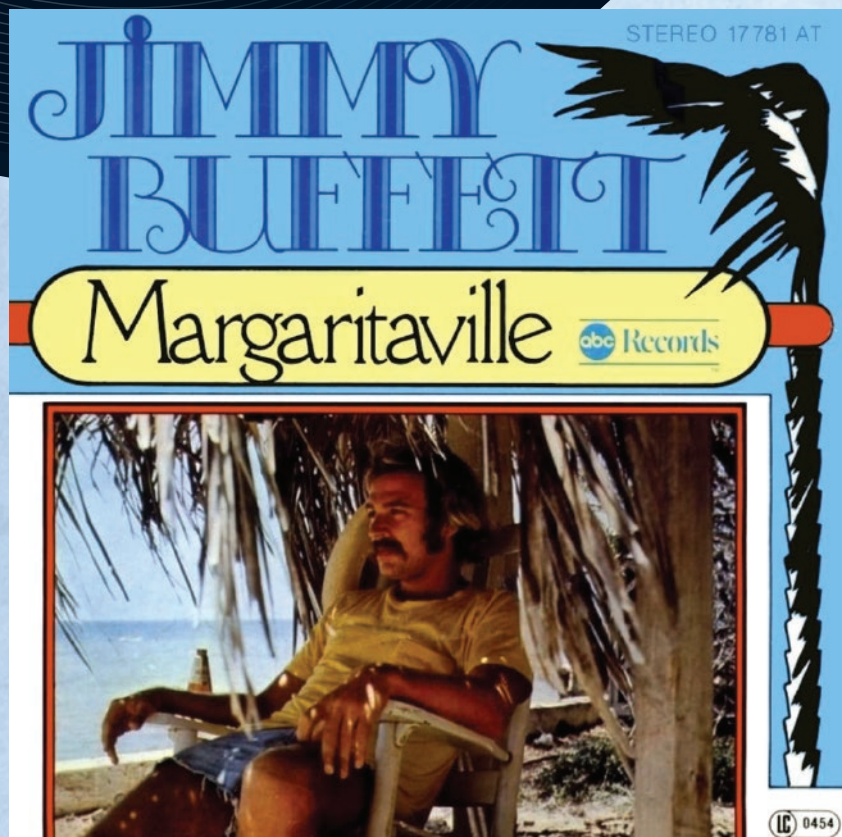

At least until you finish the drink.

Zesty, tropical and spicy

Bright, refreshing and packing just enough heat to get you into trouble, and then some.

Welcome to Margaritaville – where the drinks are cold, the hot sauce is hot, and tomorrow’s problems can wait.

TEENAGE DIRT BAG

Crystal Head Vodka, amontillado sherry,
raspberry, pomegranate, Three Cents
Pineapple Soda.

Wheatius

TEENAGE DIRT BAG

*Juicy, tart and
dangerously
refreshing.*

Our tribute to every teenage
dirtbag who ever spiked the
prom punch. Fruity, pretty and
innocent enough at first glance –
until you realise someone's been
at it with the vodka.

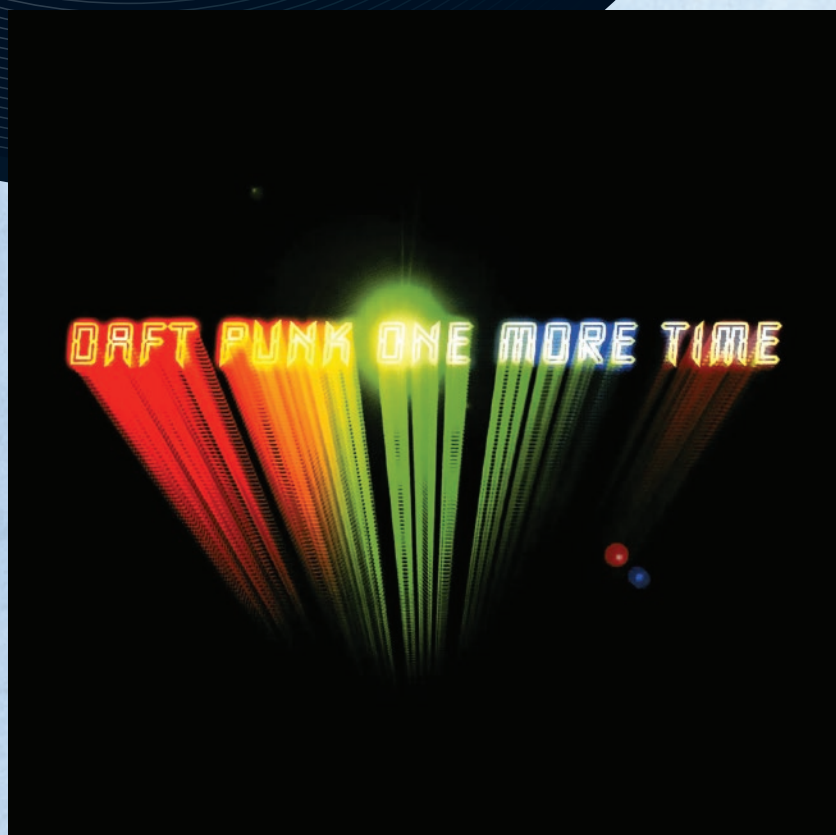

Rich, buttery and unapologetically French.

Matthieu was challenged to fit as much of France as humanly possible into one drink. Cognac, Calvados, wine and even a croissant made the cut.

Is it too French? Non.

One more time, s'il vous plait.

BROWN SUGAR

205,-

Michters Bourbon, Michters Sour Mash,
allium, tomato.

*Rich, savoury and
surprising.*

A bold Old Fashioned with
caramelised onion, tomato, oak
and spice. The Rolling Stones
once shocked the mainstream
just by showing up.

Ready for something a little
unconventional?

ALCOHOL FREE
like a virgin

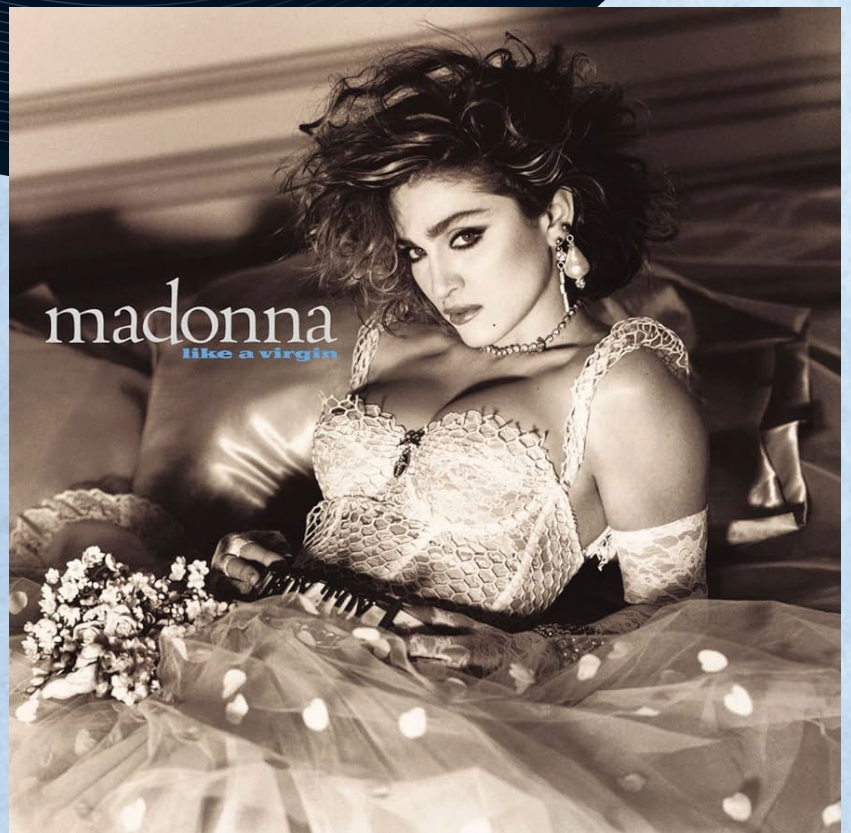

145,-

Three Cents Fig Leaf Soda,
passion fruit, elderflower.

*Fresh, tropical and
floral.*

Sweet, innocent and perhaps not quite what it seems. Madonna turned innocence into one of pop music's greatest provocations - we're just following her lead.

There's a first time for everything.

ALCOHOL FREE
STAYIN' ALIVE

145,-

Tanqueray 0%, Amaro Lucano 0%,
peach tea, elderflower, disco syrup,
Three Cents Aegan Tonic.

BEE GEES
STAYIN' ALIVE

*Fresh, vibrant and
full of flavour.*

**Layered, ridiculously refreshing
and proof that you don't need
booze to own the dance floor.**

**All the swagger of the '70s, none
of the Saturday Night Fever on
Sunday morning.**

4 ORIGINAL HITS

Kembe All-Stars

205,-

Wrong Island

Vī Aquavit, Rhubarb, Birch Tea & CO₂

Aquavit from Inderøy that means "Inner Island."

It's not, it's a peninsula. So, we made a Long Island. Sort of. **Crisp, sparkling and dangerously smashable** – you'd never guess it was aquavit unless we told you.

205,-

Miami Vice

Champagne Colada & Strawberry Daiquiri Sorbet

Havana Club Rum, coconut, pineapple & Chardonnay.

A Piña Colada and a Strawberry Daiquiri had a love child. Tropical, creamy and refreshing, topped with Strawberry Daiquiri sorbet for a bright, fruity finish.

Two classics, one glass. Dance the night away.

Contains: milk, sulphites

Goose is Loose

Vī Aquavit, Jalapeño & Gooseberry

Delicate, fresh and just spicy enough. Tart gooseberry meets a gentle jalapeño kick in a dangerously easy-drinking aquavit cocktail.

One sip and you'll have it on repeat.

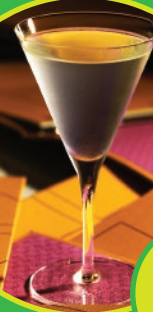

145,-

Dry Land

Rhubarb, Birch Tea & CO₂

Crisp, sparkling and seriously thirst-quenching. A dangerously smashable long drink, relieved of the alcohol — so you can keep it on repeat without missing a beat.
