100 Immersion. 100% Summer.

The Harrow Learning Experience

Teaching Style:

At Oxford Summer Courses, learning is hands-on, engaging, and built around curiosity. Whether your child joins as a Junior (ages 9–12) or a Scholar (ages 12–14), lessons are led by experienced tutors who inspire confidence and creativity. Students take part in interactive projects, games, discussions, and practical challenges that make learning active, meaningful, and fun.

Subjects Available:

Our Harrow summer courses cover a wide range of age-appropriate subjects including Science, Maths, Creative Writing, History, Law, Enterprise, Medicine, and Technology. Each course is designed to spark imagination and encourage exploration — helping students connect what they learn in class to the world around them.

Academic & Personal Growth:

The Harrow experience nurtures more than just academic ability. Students build confidence, independence, and curiosity through teamwork and problem-solving. Whether exploring new ideas or tackling creative challenges, every activity is designed to help them grow both intellectually and personally in a supportive, inclusive environment.

Opportunities Beyond the Classroom:

Beyond lessons, students enjoy a lively social and cultural programme that helps them make friends, learn new skills, and experience life at one of the UK's most historic schools. From sports and art workshops to off-site excursions and end-of-course celebrations, every day offers a balance of learning, laughter, and lasting memories.

Why choose Oxford Summer Courses?

- **Our Harrow summer courses for ages 9–14 are hosted at one of the UK's most prestigious schools,** known for its high standards of care and security. We provide 24/7 supervision, regular room checks, and dedicated house parents to ensure every student feels safe, supported, and cared for. From the moment they arrive, your child will be part of a nurturing community that values wellbeing as much as learning.
- **Our teaching approach is designed to spark curiosity and confidence through interactive, hands-on learning.** Whether students are experimenting in science, debating ideas in law, or creating stories in writing workshops, lessons are active and immersive. Tutors adapt the curriculum to each group's interests, ensuring that learning is fun, meaningful, and relevant to every student's level.
- **The Scholars programme is designed for students ready to take the next step in their academic journey.** It offers more advanced subject content and prepares students for future Oxbridge-style learning experiences. Scholars also enjoy an enriched social and cultural programme — including day trips to Oxford or Cambridge — providing inspiration for what comes next. For ambitious 12-year-olds, it's the ideal bridge between Juniors and our older courses.
- **Students on our Juniors and Scholars programmes (ages 9–14) stay and study at Harrow School,** one of the most iconic educational settings in the world. While Oxford Summer Courses is not affiliated with Harrow, our partnership allows students to experience life in a historic British boarding school known for academic excellence, community, and leadership. They'll enjoy high-quality accommodation, meals, and facilities under the care of our experienced pastoral team.

Who can attend?

Our Junior Summer School is designed for students aged 9-14, catering to a wide range of academic interests and career goals. Whether you are interested in exploring new subjects or deepening your understanding of a particular field, our expert tutors provide a personalised and enriching learning experience. Students are divided into three age groups to ensure that the programme meets their developmental needs.
