Why choose Oxford Summer Courses?

- **Oxford Summer Courses offers a unique, independent learning experience shaped around your academic goals.** With expert tutors, small class sizes, and seminar-style lessons, you'll gain the space and support to think deeply, ask big questions, and grow both academically and personally.
- **Our courses are hosted at prestigious Oxford colleges** like Lady Margaret Hall, Worcester College, and St Benet's. While we're not affiliated with the university, you'll stay in historic college accommodation and study in inspiring environments that have shaped generations of great minds.
- **Beyond the classroom, our programme is packed with engaging social activities**—city tours, talent shows, evening events, and formal dinners. It's an opportunity to meet students from around the world, build friendships, and enjoy a rich cultural experience in Oxford.
- **Our tutors don't follow a fixed curriculum**—they tailor their teaching to suit your academic background and interests. Whether you're exploring a new subject or going deeper into one you already love, you'll enjoy a personalised course that adapts to your learning goals.

Who can attend?

Our Oxford Summer School is designed for students aged 13-24, catering to a wide range of academic interests and career goals. Whether you are interested in exploring new subjects or deepening your understanding of a particular field, our expert tutors will provide a personalised and enriching learning experience. Students will be divided into three age groups to ensure that the programme meets their developmental needs.

"The best thing about Oxford Summer Courses is the kind teachers and friendships I've built. During the summer school, I adapted to being surrounded by people from many parts of the world. The environment was very welcoming. I learned a lot from the courses and enjoyed my time here immensely overall."
