SUMMER BRIDGE

FRESHMAN ORIENTATION

FOR THE CLASS OF 2030

TUESDAY AUGUST 11TH - THURSDAY AUGUST 13TH 9AM - 2PM

My name is Ms. Nievesha,

and I am excited to serve as your School Counselor at EPIC High School North. With more than a decade of experience in education, I am passionate about helping students discover their strengths, overcome challenges, and reach their full potential. As both a counselor and a mother, I believe every student deserves to feel seen, heard, valued, and supported. My goal is to create a safe, encouraging environment where students are challenged to grow academically, socially, and emotionally while developing the confidence, resilience, and responsibility needed to succeed.

High school is the beginning of an exciting journey, and I look forward to helping every freshman make the most of it. Together, we will build strong academic habits, explore college and career opportunities, and create a personalized plan for life after graduation—whether that includes college, a trade program, military service, or the workforce. I also value strong partnerships with families, knowing that students thrive when schools and families work together. Welcome to the EPIC family! I can't wait to meet you, celebrate your successes, support you through challenges, and help you build a bright future.
