Dear Parents,

On Tuesday, September 15th, 2026, our school/campus will conduct an emergency drill. This drill will focus on the General Response Protocols (GRP) for an evacuation.

Please use the GRP Summary Guide (<https://www.schools.nyc.gov/school-life/safe-schools/emergency-readiness>) to discuss our responses with your child in advance of this drill.

Please feel free to contact our main office at (718) 570-8230 if you have any questions.

Sincerely,

Kristen Breen
Principal
