

For the first time in the history of Puerto Rico, a leader in the medical services industry, in collaboration with Trust MD, join forces to provide all the most Innovative benefits through Financial Radiography™.

During the month of November, our collaboration begins on the playing field by visiting MSO of Puerto Rico LLC medical service providers and explaining all the benefits that they can voluntarily acquire, with the ease of discounted fees.

One of our representatives will be contacting you or your secretary to visit you in your office or at your home, to explain how to be part of this historic moment where you will obtain the highest level of consultancy ever seen in Puerto Rico, with the highest process of research, diagnosis, treatment, and follow-up incorporated into the world of finance, wealth planning, and tax strategies.

Optimizing MSO of Puerto Rico Family Office

The program will involve education, tracking, and execution of financial plans for the doctors of the MSO provider network and their families, guiding them in how to handle:

- Cash Flow Analysis Optimization
- Financial / Goal Setting
- Financial Solutions Planning
- Estate Planning
- Debt Management
- Risk Management
- Succession Planning
- Asset Management Protection
- Tax Reduction Plans
- Education
- Growth Opportunities
- Buy and Sell Medical Practice
