Welcome to Dallas Diabetes & Endocrine Center, Macedon. I am a virtual scheduling assistant. How may I help you today?
13:11

I need to schedule an appointment for tomorrow. I have a foot wound that isn't healing well.
01:13

I understand you need urgent care for a foot wound. Are you a new patient with us?
18:36

Yes, I am.
21:49

Thank you for letting me know. As a new patient, I'll need some information to create your appointment. Could you please provide your name and date of birth?
