

# 4MISSION

*where faith meets fun*

In July 2025, Holy Family Cluster in Leicester had their annual 4Mission Summer Camp at Sacred Heart Church. There were 56 children who came throughout the week and 34 volunteers who helped out with the various activities on offer as well as leading Liturgies. We are also so blessed to have amazing parishioners who led a new activity called flower arranging and who made lunch for the children.

The faith based activities the children got involved with were theme focused according to the saint of the day allowing them to learn more about service, healing and restoration, vocation and ultimately all brought back to being a witness of Christ in the world. On the Thursday we all took a trip to Lincoln to visit the cathedral where our Diocese Saint Hugh's shrine is located. We lit candles and said a Hail Mary besides Our Lady of Lincoln statue.

Our community of young catholic girls and boys grew even more this year with many of the children coming back & some new ones too!

It was clear how much they love the Lord. I remember being asked earlier on the week "Are we having adoration tomorrow?" after we had adoration that Tuesday and another girl really wanting to be part of Liturgy for dance or drama. Their desire to constantly seek God in their actions & words shows that they are certainly on the path of becoming missionary disciples!

**What happens when you have a week of prayer and joy in our church community? A memorable summer!**

For these young children aged 7-13 years old it is essential to bring them up in the Catholic faith and to surround themselves with good company. 4Mission continues to provide opportunities for children to learn and develop a deeper relationship with Jesus whilst having fun.

We look forward to many more 4Mission events to come!

The children paintings of the Sacred Heart of Jesus, Immaculate Heart of Mary and the Most Chaste Heart of St Joseph for each of our Holy Family parishes :)
