CAFOD DEBT Justice Campaign

Low-income countries are being pushed into a deepening debt crisis, forced to pay ever higher interest rates to wealthy lenders. Money that should be spent on healthcare and education is flowing out of countries that can least afford it. In 2027, the UK will host the G20, a crucial gathering of the world's 20 most powerful economies. These leaders have the power to fix the global debt system. Please sign CAFOD's petition today and strengthen the call for action from the UK Government. Petitions in all churches or sign online at: <https://cafod.org.uk/campaign>
