MARKET OVERVIEW MAP

GLENDALE

Situated on the eastern edge of the San Fernando Valley and Griffith Park, and adjacent to hip Los Angeles neighborhoods including Atwater Village and Eagle Rock, Glendale has a growing business district and picturesque views of the surrounding mountains, becoming an ideal retail location as some of the biggest players in the space have marquee assets in the area, most notably, Rick Caruso's, The Americana at Brand.

The city has been undergoing a residential boom as an inflow of capital has rebranded the city into a true work, live, play community for LA's creative millennial force – with a staggering 97% occupancy rate due to high demand and over 700 new units, all within walking distance of the Glendale Marketplace.

ARTS & CULTURE

Brand Boulevard is a bustling mini-mecca of cafés, shops, and culture, including the Museum of Neon Art, a visually stimulating collection of some of the most famous L.A.-based neon signs. Down the street, there's a branch of one of greater Los Angeles' favorite bakeries, Porto's Bakery & Cafe—which offers delicious Cuban sandwiches and endless mouthwatering pastries. Considering that Glendale is home to one of the country's largest Armenian-American populations, there is no shortage of amazing Middle Eastern food here, from fine dining to pop-in bakeries.

ACTIVATE ARTSAKH

[CLICK FOR MORE](#)

The Activate Artsakh project, the beautification initiative in Glendale, seeks to elevate the character and qualities of Artsakh Avenue and the nearby public alley and passageways, in order to create enticing, dynamic and visually invigorating pedestrian-friendly spaces and passages within the Arts and Entertainment District that attracts visitors, supports a variety of art, cultural and entertainment related options while maintaining adequate parking and traffic flow. The main objectives of the plan are to :

- Re-imagine Artsakh Avenue through streetscape, public art, landscape, etc. as the heart of the Arts and Entertainment District
- Enhance the alley between Brand and Artsakh as an integral part of the District
- Make Artsakh Avenue more pedestrian-friendly, while protecting pedestrians from car traffic
- Maintain adequate accessibility to public parking garages (and loading/service emergency access)
