How to play

The game features win lines. Choose the bet size using the buttons in **Total bet field**. Higher bets will increase a total win. The bet value chosen is displayed in the corresponding field. To start the reels spinning, click the **Spin** button.

Autoplay

Click the **Auto spins settings (A)** button to choose the number of rounds to autoplay. Autoplay starts when you click the number of rounds and the **Autoplay button** shows the amount of remaining spins.

You can choose additional settings for the **Stop of auto spins**:

- on any win - auto spin will stop after you win
- if the bonus game is won - auto spin will stop when the bonus game is won
- if a single win exceeds - auto spin will stop when a single win is above the written sum in the field
- if cash balance increases by - auto spin will stop when the current balance is above the sum written in this field
- If cash balance decreases by - auto spin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins** button.

Features

Scatter. 3, 4 or 5 Scatter symbols dropped on the reels trigger 10 **Free Spins**. Wins for Scatter are added to active paylines. Bonus spins can be retriggered by 3, 4 or 5 Scatter symbols. The maximum number of Free Spins is unlimited.

Wild. Wild symbol substitutes for any symbol in a line (except for the Scatter symbol) to complete a winning combination. During bonus spins the Wild symbol appears only on reels 2, 3, 4.

Sticky Wild. During the bonus spins all Wild symbols become locked until the end of bonus spins to increase the chances of winning.

Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay left to right on consecutive reels of an active payline in the main game.
- Coinciding wins on several active paylines are added.
- Payouts are made according to the paytable.
- Payline wins are multiplied by the bet per line value, except for Scatters.
- Scatter pays in any part of the display from the total bet value.
- Note that only the highest win is paid on each of the active paylines.
- The spin can result in triggering free spins. Free spins are played at the same bet and lines as the round activating these spins.

To learn the game payouts, click the **Information (I)** button.

Settings

The setting button opens a panel with game speed and volume settings.

- Quick spin - the speed of spinning reels increases
- Spacebar to spin (can be used instead of clicking the Spin button)

Here also are sound effects and background music settings:

- Volume adjustment, including its complete turn off
- Turning the music (using checkmark)
- Turning the sound effects (using checkmark)

Return to Player

The overall theoretical Return to Player (RTP) is 94.06%.

RNG

The game is based on a certified random number generator. For more information, visit <https://www.bgaming.com/>.

Additional information

Malfunction voids all plays and pays! All unfinished rounds will be terminated every other day. If the game requires "Collect" - "Collect" will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet. This is the game rule version 1.0, dated October 11, 2021.
