

About the game

Welcome to the Day of the Dead celebration! Sounds scary? Don't be afraid! Day of the Dead is a vivid and exciting carnival arranged in Mexico at the beginning of every November. BGaming invites you to join the party in the Lucky Dama Muerta slot! The 5x3 game is packed with colourful characters, features, and thrilling rewards. Celebrating death is a spectacular event with maracas, calaveras, vihuelas, and the Lucky Dama Muerta herself. She is here to bring fortune to every player! Let's start the carnival!

How to play

The game features win lines. Choose the bet size using the buttons in **Total bet field**. Higher bets will increase a total win. The bet value chosen is displayed in the corresponding field. To start the reels spinning, click the **Spin** button.

Autoplay

Click the **Auto spins settings (A)** button to choose the number of rounds to autoplay. Autoplay starts when you click the number of rounds and the **Autoplay button** shows the amount of remaining spins.

You can choose additional settings for the **Stop of auto spins**:

- on any win - autospin will stop after you win
- if the bonus game is won - autospin will stop when the bonus game is won
- if a single win exceeds - autospin will stop when a single win is above the written sum in the field
- if cash balance increases by - autospin will stop when the current balance is above the sum written in this field
- If cash balance decreases by - autospin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins** button.

Features

Bonus symbol (Scatter). 3, 4 or 5 Scatter symbols on the reels in any position trigger 15 Free Spins. Wins for Scatter are added to active paylines.

Bonus spins can be retriggered by 3, 4 or 5 bonus symbols. The maximum number of Free spins is unlimited. All Free Spins winnings multiplied by 3.

Wild Multiplier substitutes any symbol in a line (except for the Scatter symbols) to complete a winning combination. All winnings obtained by Wild symbols multiply by 2.

Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay left to right on consecutive reels of an active payline in the main game.
- Coinciding wins on several active paylines are added.
- Payouts are made according to the payable.
- Payline wins are multiplied by the bet per line value, except for Scatters.
- Scatter pays in any part of the display from total bet value.
- Note that only the highest win is paid on each of the active paylines.
- The spin can result in triggering free spins. Free spins are played at the same bet and lines as the round activating these spins.

To learn the game payouts, click the **Information (I)** button.

Settings

The setting button opens a panel with game speed and volume settings.

- Quick spin - the speed of spinning reels increases
- Spacebar to spin (can be used instead of clicking the Spin button)

Here also are sound effects and background music settings:

Additional information

Malfunction voids all plays and pays! All unfinished rounds will be terminated every other day. If the game requires "Collect" - "Collect" will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet. This is the game rule version 1.0, dated October 18, 2021.
