

About the game

It is a 5x3 slot with a Bonus round devoted to St. Patrick's Day. A small leprechaun is hiding in deep grass and preparing a surprise for you. In the Bonus round he triggers the spins of a slot machine forming a multiplier applied to your bet. There are also additional multipliers: x3 is applied to the entire win of the Bonus round if it was triggered by 4 Bonus symbols. And if the Bonus game was triggered by 5 Bonus symbols, x10 is applied.

How to play

The game features win lines. Choose the bet size using the buttons in the **Total bet** field. Higher bets will increase a total win. The bet value chosen is displayed in the corresponding field. To start the reels spinning, click the **Spin** button.

Auto play

Click the **Auto spins settings (A)** button to choose the number of rounds to auto play. Autoplay starts when you click the number of rounds and Autoplay button shows the amount of remaining spins.

You can choose additional settings for the **Stop of auto spins**:

- on any win - autospin will stop after you win
- if bonus game is won - autospin will stop when the bonus game is won
- if single win exceeds - autospin will stop when a single win is above the written sum in the field
- if cash balance increases by - autospin will stop when the current balance is above the sum written in this field
- if cash balance decreases by - autospin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins button**

Features

Bonus symbol. 3, 4 or 5 Bonus symbols dropped on the reels in one spin start the bonus game.

Bonus game. A leprechaun triggers the spins of a slot machine. When the machine stops, three figures appeared on it form a multiplier that applies to the player's bet. If the Bonus game was triggered by 4 Bonus symbols, the additional multiplier x3 is applied to the entire win of the round. If the Bonus game was triggered by 5 Bonus symbol, the additional multiplier x10 is applied to the entire Bonus round.

Buy Bonus. A player can buy a Bonus game at the price pictured on the button. If a player changes the bet, the Buy Bonus price is also changed automatically. The next spin after the purchase triggers the Bonus game.

Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay left to right on consecutive reels of an active payline.
- Coinciding wins on several active paylines are added.
- Payouts are made according to the paytable.
- Payline wins are multiplied by the bet per line value, except for Bonus symbols.
- Note that only the highest win is paid on each of the active paylines.

Settings

The setting button opens a panel with game speed and volume settings.

- Quick spin - the speed of spinning reels increases
- Spacebar to spin (can be used instead of clicking the Spin button)

Here also are sound effects and background music settings:

- Volume adjustment, including its complete turn off
- Turning the music (using checkmark)
- Turning the sound effects (using checkmark)
- To play in the left hand mode on mobile devices, put the corresponding checkmark in the settings.

Additional information

Malfunction voids all plays and pays! All unfinished rounds will be terminated every six hours. If the game requires “Collect” - “Collect” will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet.
