You can choose additional settings for the **Stop of auto spins**:

- on any win - autospin will stop after you win
- if bonus game is won - autospin will stop when the bonus game is won (applies to Free Spins only)
- if single win exceeds - autospin will stop when a single win is above the written sum in the field
- if cash balance increases by - autospin will stop when the current balance is above the sum written in this field
- if cash balance decreases by - autospin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins button**

Features

Bonus game. 3 or more Bonus symbols appeared on the reels in one spin trigger the Bonus game. The aim of the Bonus game is to collect Bonus symbols. All the Bonus symbols that triggered the feature stay at their positions till the end of the round. In the Bonus game a player receives a multiplier that depends on the number of the Bonus symbols collected. This multiplier is applied to the bet, and the winning amount is paid at the end of the round.

Buy Bonus. A player can buy the Bonus game. After the purchase 3 or more Bonus symbols appear on the reels and trigger the Bonus round.

Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay left to right on consecutive reels of an active payline.
- Coinciding wins on several active paylines are added.
- Payouts are made according to the payable.
- Payline wins are multiplied by the bet per line value.
- Note that only the highest win is paid on each of the active paylines.

To learn the game payouts, click the **Information (I)** button and choose the Payments button.

License requirements

The purchase features can be unavailable in the game because of the requirements of the license that regulates the operator's work.

Settings

The setting button opens a panel with game speed and volume settings.

- Quick spin - the speed of spinning reels increases. Depending on license requirements, this feature may not be available.
- Spacebar to spin (can be used instead of clicking the Spin button)

Here also are sound effects and background music settings:

- Volume adjustment, including its complete turn off
- Turning the music (using checkmark)
- Turning the sound effects (using checkmark)

- To play in the left hand mode on mobile devices, put the corresponding checkmark in the settings.

Return to Player

The overall theoretical Return to Player (RTP) is {RTP.main}%. RTP in the Buy Bonus feature is {RTP.bonus_buy}%.

RNG

Additional information

Malfunction voids all plays and pays! All unfinished rounds will be terminated every six hours. If the game requires “Collect” - “Collect” will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet. This is the game rule version 1.0, dated December 5, 2023.
