

Place a premium on protection

Our Premier UDL 180 premium-quality steep-slope synthetic roofing underlayment delivers durability, value, and excellent traction. It resists shrinking, and its high-quality slip-resistant backside coating helps it lay flat and stay put.

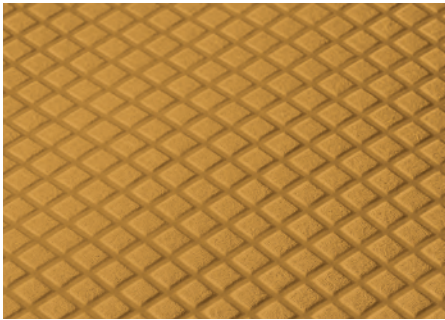

Get the job covered™

Premier UDL 180

Product features:

- Durable construction resists stretching and tearing
- 180-day UV resistance¹
- Resists shrinking and slip-resistant backing helps it lay flat and stay put
- GripSpot™ walking surface for excellent traction
- Meets or exceeds ASTM D8257 requirements
- Compatible under metal; cement tiles; clay tiles; slate; and wood, asphalt, and synthetic shingles

GripSpot™ technology provides an embossed surface and smooth channels to shed water, promoting dry, walkable working areas.

¹ 180-day UV resistance for Premier UDL 180 is based on testing conducted under controlled laboratory conditions. This product is water resistant, NOT WATERPROOF. DO NOT USE as a temporary roof to protect property or possessions.

² Values stated are approximate and subject to normal manufacturing variation. These values are not guaranteed and are provided solely as a guide.

³ Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence owns the property where the qualifying product is installed. For other owners/structures, Lifetime coverage is not applicable. See *FT Solutions™ Limited Warranty* available at ftsolutionsroof.com for complete coverage and restrictions.
