BY THE CREATORS OF FREESWITCH

Build agents that follow code, **not prompts.**

Your code holds the authority.
The platform handles the state.
The model runs inside the call
and never knows the rules exist.

- ✓ Every step is observable
- ✓ Real telephony under the agent
- ✓ The SDK in your favorite language

20+
years

Building communications infrastructure

2.7B+
interactions

Minutes and messages delivered annually

2,700+
companies

On the platform, from startups to enterprises

~1200
milliseconds

Typical conversational turn, end to end

Ring2all

Easy to use interface • Multi-Tenant • AI-Powered

New Way to Manage FreeSWITCH

Ring2All is the new way to manage FreeSWITCH — easy, intuitive, and built for scale.

A next-generation Softswitch platform combining advanced routing and enterprise PBX in a single unified solution.

Designed for MSPs, unified communication providers, call centers and enterprises that need multi-tenant deployments and real-time AI voice agents powered by OpenAI.

+110 Integrated Modules
IVR, ACD queues, LCR,
recording, SMS and more

www.ring2all.com

**POWERED BY THE
VITALPBX TEAM**

PBXClaw

AI-NATIVE PBX

Every phone, every feature.

Cisco, Polycom, Yealink, Grandstream, Panasonic, Fanvil. Auto-provisioned. DND/BLF and paging with pickup, across all brands.

Plain English.

Manage your phone system in plain English. Any AI — cloud or local. Auto-failover between providers.

No per seat pricing.

Flat monthly plans. Add as many extensions as your plan allows. No surprise bills when your team grows.

pbxclaw.com

Deploys AI voice agents directly on existing PBX infrastructure.

No migration required.

Integrates with FreeSWITCH,
Cisco CUCM, Mitel, Avaya,
and standard SIP trunks.

RESELLER

[#] Chicago Hotspots

Millennium Park

This park features many attractions to check out during the day. Take a selfie with the Chicago Bean or stroll through Laurie Garden.

CoCo Club

A classy club feel for those that crave something more sophisticated. Secretly located on the 2nd floor of Lacoco's Pizza & Sports Club..... tell the doorman "I'm With The Club".

Chicago Pizza Tour

This tour gives you a sample of some pizza joints down the "eaten" path. Book your tour at www.chicagopizzatours.com

[#] Chicago Hotspots

Navy Pier

This Chicago landmark is home to several great attractions. Visit the Chicago Children's Museum or ride the giant ferris wheel!

Lincoln Park Zoo

This free zoo is a beautiful and fun juxtaposition of the Chicago skyline. See hundreds of animals from around the world.

Shedd Aquarium

This aquarium is home to 32,000 different aquatic animals from rivers to reefs. Purchase tickets online at www.sheddaquarium.org
