

Silver STEM Futures: University Pathway

STEM Futures: University Pathway (previously known as Virtual Insight into University) is a comprehensive virtual experience that helps students explore STEM degrees, apprenticeships, and related careers. It offers access to university life, STEM projects from top UK universities and global companies, first-year lectures, and live sessions with academics, admissions tutors, apprentices, employers, and current students.

"I absolutely loved the course. It has helped me discover my true passion, and love which I hope to pursue in the future."

Course topics

- Hear from STEM professionals at top UK companies, from early-career apprentices to senior leaders and recruiters, about their journeys, inspirations, and projects.
- Join exclusive live Q&A sessions with STEM professionals, admissions officers, students, and professors in a supportive environment.
- Get expert advice on university applications, interviews, admissions tests, student finance, and support services.
- Take part in hands-on STEM activities like bridge building, creating an academic poster, and flight experiments.

100%

of students increased their awareness of STEM opportunities available to them

92%

of students felt the skills and knowledge gained from the course would have a positive impact on their future studies or career.

Course requirements and registering your interest

This course is open to all students aged 16+ who have a genuine interest in STEM subjects and is suitable for all abilities. To apply, please visit our website [here](https://www.etrust.org.uk).
