# HOLIDAY GIFT GUIDE 2026

Discover your next favorite brand.

A NOTE FROM BEN

# A little holiday cheer. A lot of gratitude.

**To the SuperAngel community,**

One of my favorite parts of investing is getting to know the founders building brands that become part of our everyday lives. This guide brings together some of those brands to help you discover a few new favorites.

Inside, you'll find gifts for the hosts, homebodies, runners, new parents, and everyone else on your list. These are brands I'm proud to support, built by founders whose creativity and hard work I get to see up close.

To our LPs: thank you for your trust, partnership, and belief in what we're building at SuperAngel.Fund. To our founders: thank you for letting me be part of your journey. And to everyone who reads, shares, introduces, and cheers us on: thank you for being part of this community.

I hope you discover something you love, share it with someone special, and enjoy a little extra time with the people who matter most.

Wishing you and your families a happy holiday season and a wonderful year ahead.

With gratitude,

**Ben Zises**
