

Self-Storage & Commercial

1270

SteelBlue's **1270 Series** roll up sheet door brings durability and versatility to your facility. Designed with easy installation and operation at the forefront. The 1270 Series is ideal for boat and RV storage, marinas, industrial buildings, and recreational facilities requiring larger openings up to 14' x 14'.

9570-DA Series available for low headroom application

Max opening size 14' x14'

Available in sizes up to 14' x 14' and in a variety of colors.

Warranty

Three-year door warranty. For paint, 35-year no-fade, 40-year film integrity.

Options

Insulated options available.

Versatility

Perfect for farm equipment, marinas, carports and parking garages. We've got you covered!

Efficiency

Our largest door, yet light and user friendly. Features 8:1 chain hoist or motor options.

Durability

Engineered with premium materials and strong construction to withstand years of heavy use in demanding storage environments.

Curtain

Industry standard profile, 26-gauge, Grade 80 prepainted steel with 5/8" ribbed corrugation. Max opening size 14' x 14'

Bottom Bar

6063-T6 Aluminum extruded bottom bar with integrated 1-1/2 x 2 12GA galvanized weight bar and T-bulb astragal system

Optional Lifting Mechanisms

8:1 chain hoist, Motor

Hardware

12-gauge head stops, 1/4" commercial T-brackets, 12" diameter, 16-gauge drum, 1-5/16" OD 12-gauge axle, 4-bolt latch

Guide System

14-gauge galvanized steel guides with pre-punched holes for anchors, slide latch, bracket attachment and head-stop attachment. Durable PVC guide strips provide easy, quiet operation

1270

Door Schedule		
Door Width	Design Pressure (PSF)	
6'-0	+31.1 PSF	-35.3 PSF
7'-0	+26.9 PSF	-30.6 PSF
8'-0	+23.7 PSF	-26.9 PSF
8'-8	+22.0 PSF	-25.0 PSF
9'-0	+20.4 PSF	-23.2 PSF
10'-0	+16.7 PSF	-19.0 PSF
