Lighting the way and making success an everyday occurrence for all our students!

Althea Johnson, Principal

Althea Balsdon, Assistant Principal

Dear Lighthouse Elementary Families,

We have exciting news to share with you! Starting January 5th, we are launching an **Attendance Reset** that gives every student a fresh start and an incredible opportunity to earn a once-in-a-lifetime reward.

Here's how it works:

Any student who achieves **100% attendance** between January 5th and May 31st will be eligible to attend a **Broadway play** with one adult chaperone! This is an amazing chance for your child to experience the magic of live theater in New York City.

We know that consistent attendance is one of the most important factors in student success. Every day at school matters, and this is our way of celebrating students and families who make being here a priority. Whether your child has had perfect attendance so far this year or has faced challenges, this reset gives everyone an equal opportunity to earn this fantastic reward.

Important Details:

- The attendance period runs from **January 5, 2026 through May 31, 2026**
- Students must be present for every school day during this period to qualify
- Each qualifying student may bring **one adult chaperone** to the Broadway show
- More details about the specific show and trip logistics will be shared as we get closer to the end of the school year

We understand that illness and emergencies happen. However, only severe hospitalizations or catastrophic emergencies (i.e. funeral) will be considered for exceptions-subject to the Principal's final decision. Please remember that communication with the school office is key when your child must be absent. We're here to support your family in making attendance a priority. Let's make the second half of this school year our best yet!

We can't wait to celebrate our students' dedication and take them to Broadway!

If you have any questions about the attendance reset or the Broadway trip, please don't hesitate to contact the main office. Here's to an incredible spring semester!

Althea Johnson

Principal
