Fall 2025

Message from Ollie

Hello friends!

Did you know owls like me can spin our heads almost all the way around? That comes in handy when I'm keeping an eye on what's happening at the Credit Union! I saw so many of you this month—opening accounts, learning how to save your dollars, and even coloring with me. You are all doing such a great job becoming wise savers (just like an owl)!

Here's my special tip for the month:

Save a little each time you earn. Whether it's from chores, allowance, or birthday money, try putting some aside before you spend it. Even a few coins can grow into something big—like saving up for a cool toy, game, or a fun trip!

Ollie's Fun Challenge:

Draw a picture of what you're saving up for! Bring it in to show my friends next time you visit the Credit Union, we'll give you a big owl hoot of approval and let you pick a prize from our treasure chest!

Until next time, keep flapping toward your goals and remember—being wise with money is a real hoot!

Your Feathery Friend,
Ollie the Owl

Tip from Ollie

Hi Friends! Are you looking for ways to add more money to your piggy bank? It is the perfect time to throw on your jacket, grab a rake, and see who needs their leaves raked. This is something that can be fun to do with your family or friends!
