

International Sports Management, Inc.
Presents Corporate Hospitality During The
2026 PGA Championship

Aronimink G.C.
Newtown Square, PA
May 14-17, 2026

The PGA Championship is returning to the City of Brotherly Love in 2026 to help commemorate the 250th anniversary of the founding of the United States, so it's appropriate that Aronimink Golf Club, one of America's oldest and most prestigious golf courses, will play host to the greatest golfers in the world! Situated less than 30 miles west of Philadelphia, this Donald Ross designed gem is consistently ranked as one of the greatest and hardest golf courses in the U.S. and will be the perfect test to see who can hoist the coveted Wanamaker Trophy as the winner of golf's 2nd Major Championship of the year!

At ISM we understand that this PGA Championship, with the "America 250" pageantry as the backdrop, will stand above all others, which means the level of hospitality must exceed all expectations as well! That's why we are putting our 27+ years of experience in providing corporate hospitality to work for you, creating the perfect blend of exceptional service, upscale offerings and easy access to all of the golfing action. From the fresh gourmet menus & premium open bar service, to the professional golf swing instruction and award winning wine tastings, to the hands on assistance from our world class event planning staff, our premium offsite venue located close to the course will be crafted to deliver a unique, positive lifetime memory your guests will forever associate with you as their hosts!

We look forward to celebrating all of this and more with you and your most important clients & guests during the 2026 PGA Championship!
