We're heading to Rotorua for NZSHCD 2026!

Held at the Rotorua Lakeside Hotel, this year's conference brings together two days of clinical learning, peer connection, and shared experience.

Friday evening includes a President's Shout — a relaxed opportunity to catch up with colleagues. Saturday begins with a wellness walk along the Rotorua Lakeside Trail, offering a chance to refresh before the final sessions. The day concludes with the conference dinner at Terrace Kitchen.

Whether you're joining us for the latest updates in clinical practice or to reconnect with peers, we look forward to welcoming you to Rotorua.
