THE WORKPLACE OF THE FUTURE

COWORKING & OFFICES

With 300+ desks, Novu Campus offers a mix of open space desks and private team offices. The modern design includes small meeting rooms and soundproof phone booths spread across the entire space.

MEETING & EVENTS

Beyond traditional meeting rooms, Novu Campus features four event spaces, ranging from a stylish 180m² bistro to an expansive 250m² event hall equipped with a state-of-the-art 3x8m LED screen and comprehensive event technology.

COMMUNITY & COFFEE

Novu Campus brings together forward-thinking people and companies. Novu Campus in close collaboration with Swisspreneur will become one of the main hubs for ambitious startups/ scaleups in Switzerland.

COWORKING & TEAM OFFICES

The coworking and office spaces are designed for startups with teams of 1 to 80 employees, providing flexible solutions to meet their needs. They feature team offices, customizable open-space layouts, and shared community spaces. Additionally, meeting rooms and phone booths are free for everyone to use.

PRODUCTS

TEAM OFFICES

From 4 to 16 desks per Office

OPEN SPACE DESKS

Desks in open space area

YOUR BENEFITS: NOVU CAMPUS

STATE OF THE ART OFFICE

With its unique interior design and high-end facilities, Novu Campus provides an inspiring environment that rivals headquarters of Google, Apple, or Nvidia. The ideal location for companies seeking a world-class workspace.

STRONG ECOSYSTEM

Novu Campus brings together like-minded people and companies. In close collaboration with Swisspreneur, it will become the hub for scaleups in Switzerland. Benefit and learn from exchanges with an inspiring ecosystem.

THE CIRCLE AT ZURICH AIRPORT

With 180'000m², The Circle is the largest business hub in Switzerland, with many restaurant, multiple corporate HQs (e.g. Microsoft) as well as interesting SMEs, 7-day operations, and ideal national as well as international accessibility.

STATE OF THE ART OFFICE

Novu Campus combines a unique and outstanding interior design—including an 11-meter open, fully planted wooden staircase connecting all floors—with a variety of high-end facilities, creating a workplace that offers exceptional benefits for any company.
