

DR. JOHN L. NORRIS

Society

Established in 2004 in honor and memory of Dr. John L. Norris, this society recognizes individuals who name Lake Sunapee Region VNA & Hospice as a beneficiary of their estate plans.

Membership is a deeply personal reflection of each person's confidence in the mission of Lake Sunapee Region VNA & Hospice. Through bequests, trusts and other legacy gifts, members help to sustain exceptional home health care for those in need of these impactful services.

Dr. Norris had a vision for the future of home care in our community. The thoughtful planning of members of the society that bears his name helps to ensure that his vision endures for generations to come.

To learn more about Dr. Norris' involvement in the founding of our agency, go to:
