## 6. Sub-Processing

Subject to the terms of this DPA, You authorize Hypori to engage Sub-Processors and Affiliates to process Personal Data in connection with the provision of the Products and Services. Hypori shall ensure that any such Sub-Processor or Affiliate is bound by written obligations that provide at least the same level of data protection as required under this DPA and Applicable Data Protection Laws. Hypori remains fully responsible for the performance of its Sub-Processors in accordance with this DPA. Upon reasonable request, Hypori will make available information necessary to demonstrate compliance with this Section, including by providing a list of Sub-Processors upon written request and relevant third-party audit reports or certifications, where available.

Where Hypori is a Processor (and not a Sub-Processor), the following terms apply:

- (a) If, based on reasonable grounds related to the inability of such Sub-Processor to protect Personal Data, You object to a new Sub-Processor, the parties shall discuss in good faith a commercially reasonable alternative. Where no such alternative is available, You may terminate the affected Service by providing written notice before the end of the notice period, including an explanation of the grounds for objection.

We will follow the requirements of this DPA regardless of where such Personal Data is stored or Processed.

Where the Processing involves the international transfer of Personal Data of a resident(s) of a country within the EEA, Switzerland or UK to Hypori, Affiliates or Sub-Processors in a jurisdiction (i) that has not

been deemed by the European Commission or the UK Information Commissioner's Office to provide an adequate level of data protection, and (ii) there is not another legal basis for the international transfer of such Personal Data, such transfers are subject to either the 2021 EU Standard Contractual Clauses, the UK SCC Addendum and/or Swiss SCC Addendum (as applicable) or other valid transfer mechanisms available under Applicable Data Protection Laws.

Where You are located in the United Kingdom, the transfer of personal data to Hypori, Inc. in the United States is made pursuant to the UK International Data Transfer Addendum to the EU Commission Standard Contractual Clauses (UK SCC Addendum), issued by the Information Commissioner's Office under S119A(1) of the Data Protection Act 2018. - (b) the UK Data Protection Laws, the Parties hereby incorporate by reference the UK SCC Addendum in unmodified form; and

The 2021 EU SCCs and the UK SCC Addendum shall be between You and Hypori, irrespective of Your location. For such purposes, You will act as the Data Exporter on Your behalf and on behalf of any of Your entities, and Hypori will act as the Data Importer on its own behalf and/or on behalf of its Affiliates. For purposes of Clause 7 of the 2021 EU SCCs, any acceding entity shall enforce its rights through You.

For the purposes of the Swiss SCC Addendum, (i) the term "member state" shall not be interpreted in such a way as to exclude data subjects in Switzerland from the possibility of suing for their rights in their place of habitual residence (Switzerland) in accordance with Clause 18(c) of the 2021 EU SCCs; (ii) the references to the GDPR should be understood as references to the FADP insofar as the data transfers are subject to the FADP; (iii) the Federal Data Protection and Information Commissioner of Switzerland shall be the competent supervisory authority in Annex I.C under Clause 13 of the 2021 EU SCCs, where the transfer of Personal Data is subject to the FADP.

Notwithstanding the foregoing, Hypori's notification obligation may be delayed where required by applicable law or at the instruction of a law enforcement or government authority, for so long as such delay is required, after which Hypori will notify You as soon as legally permissible.

## **11. Your Instructions and Providing Information & Assistance**

You may provide additional instructions to Us related to the Processing of Personal Data that are necessary for You and Hypori to comply with our respective obligations under Applicable Data Protection Laws as Controller and Processor. We will comply with Your instructions, provided that if Your instructions impose costs on Us beyond those included in the scope of Products and/or Services under the Agreement, the parties agree to negotiate in good faith to determine the additional costs. We will promptly inform You if We believe that Your instructions are not consistent with Applicable Data Protection Laws, provided that We will not be obligated to independently inspect or verify Your Processing of Personal Data.
