

# Silen Space Work

Private orbit with room to spare

Even team players need time and space to dive deep on their own. That's when insights and discoveries happen. This spacious privacy pod reduces the world to a whisper, so your mind can focus for hours on end.

### Timeless design excellence

A precise blend of engineering quality and top-level design expertise. Light, refined, and created to fit naturally into any environment.

### Ultimate two-way privacy

Market-leading noise reduction with certified Class A performance that provides complete acoustic privacy in both directions.

### Comfort perfected

Airflow that exceeds office standards, advanced ventilation and EchoFree Gen 2 acoustics. Ergonomic furniture, preset lighting modes, full personal control.

### Flexibility redefined

A lighter structure, compact modules, fast and easy assembly, easy relocation, and long-lasting durability. Built to adapt as needs change.

### Endless customization

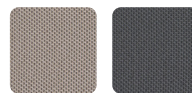

Silen Dynamics allows both interior and exterior finishes to be easily swapped. Furniture is replaceable, accessories can be added later, and pods stay fresh for years.

### Sustainability at the core

Responsible materials, high recyclability, reduced emissions, and a structure designed for more than 20 years of renewability and circular use.
