29 October 2020, 4:30pm

You Hide Me is a dramatisation of a visit to the British Museum by two Africans who discover African art hidden in the basement. JGPACA has organised and hosted a series of free webinars to celebrate the 50th anniversary of Kwate Nii Owoo's groundbreaking documentary film. The celebrations are being jointly held along institutional partners SOAS University of London, AFFORD and The Africa Centre.

The talk will include Uzoamaka Madu, J C Niala, Sani Sani, Michael Adeyemi, Prof Yaw Owusu Frimpong, Kwate Nii Owoo, and June Givanni.
