You Hide Me! Webinar Series Recordings

The film *You Hide Me* was made by Ghanaian filmmaker Nii Kwate Owoo in the British Museum in London in 1970 and presented the case for the restitution of African art, which is still resonant today.

Linked below are Vimeo recordings of a series of webinars organised by the June Givanni Pan African Cinema Archive (JGPACA) with partners SOAS/African Screen Worlds; AFFORD; and The Africa Centre, with assistance and support from The Art Fund and MayDay Rooms. This series was made to mark the 50th anniversary of this film and bring it to wider attention.

We wish everyone a safe and happy Christmas, and a creative and inspired 2021.
