**Hello everyone,**

We are so excited to finally launch '**The Pan African Cinema Podcast**' which is where we will be posting regular JGPACA audio content over the next year and beyond!

Our very first episode from our brand new 'Spotlight' series is out today on all platforms and revisits the amazing 'Archiving Beyond the Mainstream' Zine making workshop led by artist **Fiona Quadri**. The episode explores how Fiona's creative practice utilises archival materials and also the wider history of June's involvement with the **Black Film Bulletin** publication. It also includes the incredible creative contributions made by attendees too.

Please spread the word, review our work, and subscribe (search The Pan African Cinema Podcast) to receive regular updates.

**Happy listening**
